

KUWAIT HEALTH EXHIBITION AND CONFERENCE 2016

PRESS RELEASE

Kuwait Health Exhibition & Conference is the largest healthcare event in Kuwait on **6-8 March 2017** at the **Kuwait International Fair, Kuwait**. The event provides a business platform for the industry's leading manufacturer, suppliers, distributors and service providers in the healthcare industry in one of MENA's emerging market – Kuwait.

The event will feature over 150 local and international companies showcasing the latest products and services in a business platform of over 3,000sqm of exhibition space in just 3 days. Alongside are 2 CME accredited conference on Medical Travel and Healthcare Management.

At Kuwait Health Exhibition & Conference 2017, attendees can benefit from meeting new or existing partners for major hospital and medical facility projects in the region, source new products and services for distribution, learn from key-note speakers at the conference and generate sales leads to grow their business in one of the region's billion dollar markets.
