

The 3rd edition of the **Future Tech Event**, the Sultanate of Oman's foremost B2B and B2G bespoke Technology Event, is taking place from **27 - 28 November 2023**, at the **Oman Convention and Exhibition Centre**.

It is a definitive meeting place facilitating multi-stakeholder dialogue with power packed networking opportunities among C-Level executives, leading industry experts, decision makers, policy makers and government officials from across the value chain to foster collaboration, discuss current challenges, business opportunities, develop market strategies, share knowledge and identify solutions shaping the future of technology.

Future Tech Event will feature an expansive line-up of stellar speakers, case studies, panel discussions, unique presentations providing access to a wealth of industry leading knowledge, sharing best practices and experiences, spotlighting trends, information exchange, insights and outlooks with actionable takeaways.

The Event will feature a comprehensive B2B Expo showcasing an array of avant-garde solutions, specific, transverse, latest technologies, cutting edge innovation, unique launches, cost-effective products, services and solutions that are customized to adapt to the given demands across all sectors.

We have diverse and cost-effective packages to ensure your participation with assured ROI, including speaking slots and exhibition booths to create a strong impact and presence at the Event.

We also offer customized packages best suited to your organization's requirements and budget.
