

A Business Dinner to promote investors in the Democratic Republic of Congo (DRC) will be held on October 25, 2024, at the Hilton Hotel in Kinshasa. This event, bringing together political leaders, business executives, and experts, will be an opportunity to explore investment opportunities in the mining, agricultural, and energy sectors of the DRC. During the same evening, several companies will be recognized for their contribution to the development of the DRC. The event will focus on investment and economic growth.

This Dinner aims not only to promote investment but also to bring together various stakeholders to address common challenges and difficulties facing the Congolese business ecosystem.

The day of October 25, 2024, will feature a Business Meeting, which will include panel discussions and exhibitions. The first panel will address the challenges and opportunities of the business climate in the DRC, while the second panel will focus on the collaboration between banks and businesses.

What will set this event apart from other similar ones is the second part of the day, from 6:00 PM to 10:00 PM, marking a first in the Democratic Republic of Congo. During this session, patents and trophies will be awarded, including the "BEST INVESTOR IN THE DRC" award. Various companies have been nominated by a jury composed of state bodies such as ANAPI, ARSP, the Business Climate Cell, and the Deputy Prime Minister of the Economy. A total of 17 sectors have been proposed, which will be revealed on October 25.
