

Palma International Boat Show 2025: Driving Growth in the Global Yachting Industry

From April 30 to May 3, 2025, the Palma International Boat Show (PIBS) returns, reinforcing its role as a key driver of economic growth and innovation in the global yachting sector. As the gateway to the Mediterranean season, PIBS attracts industry leaders, investors, and decision-makers, providing a dynamic platform for business expansion, networking, and investment opportunities.

This year's edition features the Superyacht New Build Hub at Club de Mar, an exclusive space dedicated to shipyards, designers, and naval architects, offering 21 premium berths for yachts 35m+. This initiative brings the spotlight on the new-build constructions, offering shipyards direct access to high-net-worth clients and key stakeholders.

Beyond business, PIBS 2025 delivers a 360-degree industry showcase, from brokerage and refit services to emerging technologies and sustainable solutions. With networking events, panel discussions, and exclusive VIP gatherings, PIBS continues to foster growth and innovation in the luxury yachting industry.
