

IT WILL TAKE PLACE FROM 18TH TO 20TH JUNE AT FIRA MONTJUIC

SIL 2025 reaches 90% occupancy three months before its celebration

- The event continues to focus on internationalisation in this new edition, with 30% of companies confirmed from various countries around the world.
- SIL will once again bring together the entire logistics chain, highlighting the increased participation of companies specialising in intralogistics, transport, and technology industries applied to the sector.
- The organisation has just opened online registration to attend [SIL 2025](#), with free registration until 8th June, after which it will cost 60 euros.

Barcelona, 17th March 2025.- The International Logistics Exhibition of Barcelona (SIL Barcelona), organised by the **Consorti de la Zona Franca de Barcelona (CZFB)** and considered one of the leading fairs in the world dedicated to Logistics, Transport, Intralogistics, and Supply Chain, will hold a new edition from **18th to 20th June** at Fira Montjuic. As of today, with three months still to go, the event has high expectations, having reached 90% of the contracted space.

Pere Navarro, special delegate of the State at CZFB and president of SIL, highlights that *“the figures confirm that SIL reaffirms itself once again as an international reference meeting point, attracting a greater number of international companies seeking to have a presence at this forum for exhibition, innovation, knowledge, and networking where companies from the entire logistics chain participate”*.

Once again, the event is committed to internationalisation, with 30% of companies confirmed from various countries such as **Germany, Belgium, Denmark, Finland, France, Italy, Netherlands, Portugal, USA, Chile, Peru, Argentina, United Kingdom, Turkey, Brazil, Greece, Poland, Switzerland, UAE, or Romania, among others.**

Furthermore, SIL Barcelona will once again feature representation from companies and agents from the entire logistics chain, from cargo and last mile to real estate logistics. In this

regard, the increased participation of companies specialising in **intralogistics, transport, and technology industries applied to the logistics sector is noteworthy.**

Blanca Sorigué, general director of CZFB and SIL, emphasises *“the good reception the fair receives from participating companies that continue to support SIL year after year, as well as those deciding to do so for the first time. We will work to ensure that all of them meet their expectations and generate business, as well as to continue guaranteeing the quality of the visitor profile, with high decision-making capacity within their companies”.*

CZFB has already opened online registration to attend SIL 2025 as a visitor, with free registration for all industry professionals who register before 8th June at www.silbcn.com. After this date, the SIL *Visitor Pass* will cost 60 euros.

About the Consorci de la Zona Franca de Barcelona

The Consorci de la Zona Franca de Barcelona is a public company that acts as a driver for the technological and industrial development by providing support to companies in their transition to the digital age. Boosts innovation through the 3D Incubator and Logistics 4.0 Incubator; promotes the transformation of Industry 4.0 from the DFactory Barcelona technology hub and connects the new economy and its key socio-economic sectors. It organises congresses of economic interest for Barcelona, such as the largest logistics trade fair in Spain and Southern Europe, the SIL, as well as major benchmark events with an innovative format such as the Barcelona New Economy Week (BNEW) or the Barcelona Woman Acceleration Week (BWAW).

Its plenary has representatives from the Spanish government, the Generalitat of Catalonia, the Barcelona City Council, and the main economic entities of the city.
