

Title - UAE's One of the Largest Cold Chain & Logistics Enthusiasts Gathering Returns for the 2nd Time in Dubai this September

The World Cold Chain Expo, after making a tremendous impact in 2024, is set to return this September with even larger gatherings, prominent stakeholders and exclusive networking opportunities like never before.

Global participants including GND Solutions, Pluss Advanced Technologies, Manik Engineers, FitFresh Dubai, Fresh On Table Dubai, AHRI, Abu Dhabi Food Hub – KEZAD, Supply Chain and Logistics Group (SCLG), ASHRAE Falcon Chapter (AFC), Neopharma, brf, Del Monte, RV Consultancy, Primo Gelato, Association of Ammonia Refrigeration (AAR), Coyne Airways & many more are already onboard.

The UAE Cold Chain Logistics Market size is estimated at USD 0.71 billion in 2025 and is expected to reach USD 1.15 billion by 2030, at a CAGR of 10.29% during the forecast period (2025-2030) presenting an exceptional opportunity for domestic and international brands to capture the market share.

The UAE along with the pan Middle East has a hot and arid climate which means that it needs a strong cold chain and logistics sector to cater for industries like food & beverages, pharmaceuticals, healthcare, agriculture and biotechnology.

This is where events like the 2nd World Cold Chain Expo come into play. They connect you with your highly targeted audience giving you an unparalleled experience of branding, marketing, product exhibits and networking.
