Agenda Request: <https://www.biienergy.us/mehsesummit/request-event-agenda/>

Marking its debut in the region, the **Middle East HSE Summit** is set to be a game-changer for safety and sustainability in the energy sector. Organised by **BII Energy** and Co-organised by **MC (Marketing Communications)**, this dynamic two-day summit will take place on **2–3 September in Al Khobar, KSA**, followed by exclusive post-summit workshops on **4 September**.

It will unite global HSE leaders to tackle the industry's most pressing challenges through innovation, regulation, and collaboration.

Guided by an expert Advisory Committee, the summit features some of the most influential voices shaping the future of safety and sustainability in the energy landscape:

- **Abdulahman Al Duhayan, Head of Security, Safety, and Environmental Health | National Risk Council [Saudi Arabia]**
- **Thomas Kramer, Vice President – Finance American Society of Safety Professional, Managing Principal, LJB Inc [United States] | President, International Society for Fall Protection**
- **Abdullah Al-Ghamdi, Founding Member of the Cooperative Society for Occupational Safety & Health | SOSH, HSE Manager, AMAAD, Sr. Compliance Coordinator, Community and Public Project Department | Saudi Aramco [Saudi Arabia]**
- **Dr. Ahmad Al-Ghamdi - Vice President - QHSSE | International Maritime Industries [Saudi Arabia]**
- **Bader Al-Hadrami, President | American Society of Safety Professionals - Kuwait Chapter QHSE Manager | NESR [Kuwait and Jordan]**
- **Thomas Meier, Vice President, Director Middle East | Krause Bell Group**
- **Hamad Al Awad, Data & AI Consultant | Government [Saudi Arabia]**
- **Trinath Sahoo, Chief General manager (Project) | Indian Oil Corporation Ltd**
- **Larry Wilson, CEO, Founder and Author of SafeStart**
- **Coy Wilcox, Head of Talent Management | Saudi Aramco Nabors Drilling (SANAD) among others...**
