

Riyadh to host the 8th Future Landscape & Playspaces KSA Summit: Pioneering Sustainable Urban Transformation in Line with Vision 2030

Riyadh, Saudi Arabia – July 17, 2025 – The Kingdom of Saudi Arabia is set to welcome global leaders, innovators, and visionaries in landscape architecture and urban planning at the **8th Edition of the Future Landscape & Playspaces KSA Summit**, taking place on **6 – 7 October 2025** in **Riyadh**.

This landmark event will spotlight the Kingdom's ambitious drive toward sustainable urban development, aligning with the goals of **Vision 2030**. With a focus on smart landscaping technologies, climate-resilient design, and nature-integrated urban planning, the summit will serve as a vital platform for knowledge exchange, collaboration, and innovation.

Key highlights:

- **Strategic Focus:** Exploring Saudi Arabia's transformative projects such as **Green Riyadh, NEOM, and The Line**, which are redefining the future of urban living.
- **Expert Speakers:** Featuring high-level participation from government bodies including the **Ministry of Municipalities and Housing, Ministry of Environment, Water and Agriculture, Riyadh Municipality, and National Center for Vegetation Cover**.
- **Innovative Solutions:** Showcasing cutting-edge advancements in **AI-driven land reclamation, smart irrigation, biodiversity-enhancing lighting, and drought-resistant landscaping**.
- **Market Outlook:** With the Saudi landscaping market projected to reach **USD 4.94 billion by 2029**, the summit offers unmatched opportunities for investment, partnerships, and growth.

A Platform for Progress

The summit will bring together **urban planners, landscape architects, developers, municipal leaders, and sustainability experts** to address pressing challenges such as water scarcity, extreme temperatures, and the need for inclusive, livable outdoor spaces. Attendees will gain insights into how modern aesthetics can harmonize with traditional Arabian design to create vibrant, resilient communities.

Join the Movement

As Saudi Arabia accelerates its green transformation, the 8th Future Landscape & Playspaces KSA Summit stands as a beacon for sustainable innovation and urban

excellence. Stakeholders are invited to **register now** and be part of shaping the Kingdom's green future.
