[Tap Here to Go to The Official Website of the Event](#)

Congress and Exhibition "Non-ferrous and Precious Metals" is the first international professional platform for top-level networking of key industrial oil and gas enterprises, regulatory authorities and government, technology and equipment suppliers, and investors across Argentina and Latin America.

Congress Highlights:

- **200+ INDUSTRY LEADERS AND EXPERTS** will gather at *Argentina Non-Ferrous & Precious Metals 2025*, including executives from major mining companies, project owners, investors, government officials, regulators, and technology providers.
- **45+ MINING PROJECTS** – Overview of current and planned non-ferrous and precious metals projects in Argentina.
- **40+ EXPERT SPEAKERS** will address advancements and challenges in mining, focusing on technology, sustainability, and growth.
- **AWARD CEREMONY & GALA COCKTAIL** – Celebrating leading companies, innovative projects, and outstanding professionals with fine cuisine and high-level networking.
- **STRATEGIC OPENING SESSION: BEYOND THE SURFACE** – A forward-looking discussion on shaping Argentina's mining future toward 2035.
- **CTO & CHIEF ENGINEER ROUND TABLE** – Exploring strategies to boost operational reliability and tech-driven efficiency.
- **GROUP DISCUSSIONS: FROM ORE TO OUTPUT** – Collaborative session on optimizing extraction efficiency and cutting operational costs.
- **THE \$100M QUESTION: FUNDING ENERGY UPGRADES** – A deep dive into financing models for energy innovation in a volatile economy — **and much more.**

See you in Buenos Aires!
