Finnovex Middle East 2025

Middle East's Fintech Metamorphosis: Digital, Decentralized & Disruptive

Date: November 11th–12th, 2025

Location: Dubai, UAE

Website: <https://me.finnovex.com/>

Dubai, UAE – Exibex is proud to announce the 33rd global edition of **Finnovex Middle East**, returning on **November 11–12, 2025**, in **Dubai**, the innovation capital of the Middle East. Under the theme “**Middle East's Fintech Metamorphosis: Digital, Decentralized & Disruptive**,” this leading summit will convene over **300 banking and fintech leaders**, policymakers, regulators, and technology innovators to explore the region's transformative financial journey.

As the Middle East redefines global financial dynamics through **AI-powered ecosystems, blockchain, open finance, and decentralized models**, Finnovex Middle East 2025 offers a unique platform to unlock the potential of next-gen banking and digital finance. With Dubai at the forefront of fintech innovation, the summit will host dynamic conversations, strategic collaborations, and immersive showcases of cutting-edge solutions driving financial evolution across the region.

Key Thematic Tracks Include:

Fintech Decentralised: Unlocking Innovation & Inclusion

Explore how AI, DeFi, and digital banks are empowering real-time, personalized, and inclusive financial services in a decentralized world.

Intelligent Finance: Building Smart, Agile & Inclusive Banks

Unpack strategies to embrace AI, cloud-native agility, and customer-centricity to build resilient and future-ready banks.

Regulatory Innovation & CBDCs

Delve into how progressive regulators are reimagining monetary policy with CBDCs, innovation hubs, and a rebalanced compliance framework.

Why Attend Finnovex Middle East 2025?

Finnovex Middle East 2025 is not just another fintech conference—it is a **holistic experience** designed to equip financial leaders with **actionable insights, transformational partnerships, and innovation roadmaps** tailored to the region's evolving landscape. From **cross-border payments and ESG financing** to **GenAI in CX** and **super-app ecosystems**, this summit covers the full spectrum of financial innovation.

Attendees will benefit from:

- Visionary keynote sessions, high-impact panels, and closed-door roundtables.

- Exclusive insight into CBDC development, cloud-native transformation, and cybersecurity innovation.
- Networking with 200+ C-level decision-makers from across banking, fintech, insurance, telco, and regulatory bodies.

Event Highlights:

- **Global Stage for Regional Disruption:** Featuring 50+ speakers and 300+ delegates from across the Middle East, Africa, and Europe.
- **Strategic Networking Opportunities:** Tailored sessions to connect investors, innovators, and industry leaders.
- **Finnovex Middle East Awards 2025:** Celebrating the region's boldest innovators and change-makers across 20+ categories including Digital Banking, Cybersecurity, ESG, and Leadership
