

Revive ME to Spotlight the Future of Healthy Longevity in Abu Dhabi This November

Abu Dhabi, August 5: Abu Dhabi is set to host the **Middle East's first-of-its-kind conference and exhibition** dedicated to longevity science, biotechnology, regenerative medicine, ultra-personalised wellness, and AI-powered healthcare innovation, **Revive ME**. Taking place on **26 - 27 November 2025** at **Beach Rotana, Abu Dhabi**, this transformative event will bring together global pioneers, scientific leaders, and healthcare futurists, positioning the UAE capital as an emerging global hub for the longevity and healthtech revolution.

With an aim to convene 1500+ attendees, 70+ sponsors & exhibitors, 85+ speakers and 700+ global & regional companies, the event will unite the entire ecosystem shaping the future of how we live, heal, and thrive. Featuring a massive expo and content-laden conference programme, Revive ME offers a comprehensive platform to witness thought provoking discussions & gain invaluable insights, explore breakthrough technologies, radical therapies & future-ready wellness solutions, while catalysing meaningful collaborations that advance the global healthy longevity agenda. From bio-startups to multinational companies, researchers to policymakers, and investors to clinical experts, the event unites the entire ecosystem shaping the future of how we live, heal, and thrive.

Over a course of two days, the event will feature a curated showcase of cutting-edge technologies and visionary companies in biotech, regenerative medicine, AI-driven diagnostics, and preventative health. Attendees will experience interactive demos, product launches, longevity startup showcases, and immersive health innovation zones offering an unparalleled platform for discovery and partnerships.

In tandem with cutting edge expo, Revive ME's curated conference will host a series of high-impact keynotes, panel discussions, fireside chats, and innovation pitches across major themes led by world-renowned experts and industry thought leaders. The programme will spotlight global scientific breakthroughs, regional public health perspectives, and visionary ideas redefining the future of healthcare and human lifespan. Some of the renowned speakers who will take it to the stage include

- **Dr. Ramadan AlBlooshi** – Senior Advisor to the Director General, Dubai Health Authority (DHA)
- **Christian Schuhmacher** – Executive Chairman, Emirates Hospital Group
- **Dr. Hinda Daggag** – Director of Healthcare, PwC Middle East
- **Dr. Shaikha Almazrouei** – Chairman & Co-Founder, UAE Stem Cell Society; Co-Founder, Cell Lab7
- **Philippe Gerwill** – Global Digital Health Futurist and Innovation Advisor
- **Alex Aliper** | Co-Founder & President, Insilico Medicine ... and many more.

Strategically located in the capital city of Abu Dhabi, Revive ME offers a dedicated networking zone, startup pitch area, and hosted buyer programme designed to enable partnerships between innovators, companies, regulators, and investors. Whether you're a startup seeking funding or an established brand entering new markets, Revive ME facilitates business opportunities that matter.

Organised by Resolute Market Intelligence, Revive ME is poised to become the premier longevity and health innovation event in the MENA region.
